

Additional information – Model 11th July

There are road works taking place in previous place where car parking was planned. There is no parking possible for model event.

The parking will be moved closer to bus stop and will be located in city streets. Please follow marshals guidance!

Bus service:

The shuttle bus service will run as planned. The tour busses will be allowed to let out all people and afterwards have to go to the bus parking. After finishing model event we kindly ask all tour groups walk to bus parking and leave Carnikava from this place. The bus parking is 0.5 km walking distance from handing out maps / beginning of marking to start.

Model start.

The closest place to start the model distance is pedestrian road to the sea (see scheme). If you wish to begin the model from the start symbol in the map, please follow the marking signs through the forest.

You can buy additional model maps in the handing out maps point.

Club tents

Please place tents near pedestrian road – where the handing additional maps place is located.
